The petitioner is working as Deputy Director of National Savings under the Finance Department. He was placed under suspension. Even after reinstatement, the period of suspension has not been regularised. According to the petitioner, final decision has not been taken regarding the service benefits he is entitled to, consequent on the decision taken to drop the proceedings. In Ext. P5 representation filed by the petitioner and pending with the respondent, the following request is made:

> "In the said context may I request you to kindly order the following: (a) to give a copy of the audit based on which I was placed under suspension, (b) to complete the long pending enquiry against me within two months, (c) to give me a copy of the vigilance enquiry report against me, (d) to give me pending service benefits including promotion within three months and (c) to regularize my suspension period within three months."

2. I have heard the Govt. Pleader for the respondent.

3. I find no reason why the prayer made by the

petitioner that the respondent may be directed to take urgent decision on Ext. P5 shall not be granted. The writ petition is accordingly disposed of directing the respondent to consider Ext. P5 on merits and pass orders in accordance with law within one month on the petitioner producing a copy of the judgment along with a copy of the writ petition.
